

LETTER OF RECOMMENDATION

24th JULY 2023

To whom it may concern,

It is my great pleasure to write this letter of recommendation for CP Elites Security & Consultants. As Senior Safety & Security In-charge with 10 years of experience, I have had the pleasure of overseeing CP Elites Security over the past year and a half and I can state with confidence that CP Elites Security is a motivated, disciplined, professional and responsible company with a high degree of integrity.

They took over working the security services at Thomson Hospital when the former security company was not living up to the expectations of the hospital. In this role, they had a considerable number of responsibilities, and they handled them effortlessly. They showed their skills on how to communicate with patients, visitors, and staff and how to deescalate situations when needed.

Hence, I believe CP Elites Security & Consultants will be able to provide their best and reliable service to their future Client.

Sincerely,

WAN MOHD ZUKAFLI
